

Court of Appeals, State of Michigan

ORDER

People of MI v Samuel Currie Bridges

Docket No. 279518

LC No. 07-003318-01

Elizabeth L. Gleicher
Presiding Judge

Kirsten Frank Kelly

Christopher M. Murray
Judges

The Court orders, pursuant to MCR 7.216(A)(4), that the lower court record is expanded to include the Michigan State Police, Forensic Science Division, Laboratory Report dated January 10, 2009, regarding firearms evidence.

The Court further orders that the emergency motion to remand is DENIED because defendant-appellant has failed to demonstrate that the issue should be decided initially by the trial court. (MCR 7.211(C)(1)(a)(i)).

Kelly, J., would not expand the record, and would grant the motion to remand so that the issues raised by defendant regarding the State Police Report could be first addressed by the trial court.
